FATIGUE MANAGEMENT POLICY

As part of Curtis Coast Fencing's overall commitment to health and safety of our employees, we will actively work together to prevent and manage risk associated with fatigue in the workplace.

Curtis Coast Fencing's objectives are to

- Ensure that our employees have had adequate rest prior to commencing work through appropriate working time arrangements.
- Monitor and control working hours including overtime to provide adequate time for rest.
- Develop a culture of shared responsibility for fatigue management.
- Promote a healthy lifestyle both at work and at home.
- Identify, develop and implement a fatigue management plan with control strategies to address fatigue related risk in the workplace by consulting with employees.
- Conduct regular checks to ensure that this policy is effective.

Employee's will....

- Present for work in a fit and safe manner.
- Ensure that they have had adequate rest prior to commencing work.
- Report cases of fatigue immediately to their supervisor.

Through the implementation of this policy Curtis Coast Fencing will continue towards its goal of providing a safe and healthy workplace for all of its employee's.
